

UNDER THE TREE

1..... are falling
The mistletoe's calling
There's flour all over the 2.....
Candles are burning
Old records are turning
But you make it so hard to 3.
When you fall, fall into me
Candy cane kisses onto my cheek
Darling, you're making my 4.....
So sweet
Santa can fly on by our 5.....
This 6.
Rudolph can run
Right to the next 7.....
No, I won't cry
If I don't get any 8.....
'Cause I've got all I need
With you under the tree
With you under the tree
Church bells are ringing
The children are 9.
The lights sparkle all over the city
My only desire's
Right here by the 10.....
I know that nothing is missing
So Santa can fly on by our 11.....
This 12.....
Rudolph can run
Right to the next 13.....
Oh, I won't cry
If I don't get any 14
'Cause I've got all I need
With you under the tree
With you under the tree
I'm right where I want to be
I got my 15..... this Christmas Eve
Darling, you're making my 16.....
So sweet
Santa can fly on by our .17.....
This 18.....
Rudolph can run
Right to the next 19.....
No, no, no, I won't cry
If I don't get any 20.....
'Cause I've got all I need
Oh, yeah, baby
I've got all I need
With you under the tree
With you under the tree

MERRY CHRISTMAS
