SECTION 1: Read the following text about 3 different people's holidays and circle the best option to answer the questions. Look at example (0). (1 mark each, 5 total)

MY LAST HOLIDAY**A) Max**

I went on holiday with my friends. The flight was fine, but it took two hours by bus to get to the hotel – I didn't enjoy that! The hotel was noisy and the staff weren't friendly, but it didn't matter because we spent all our time on the beach, a short walk away. We tried lots of new dishes in the restaurants in the town. It was hard to sleep with such high temperatures, but we had a fantastic time, and the best thing was, we spent almost nothing once we arrived!

**B) Felipe**

I drove to our hotel from the airport and there were lovely country roads. The hotel we stayed in was quite expensive. The people who worked there were wonderful, but I wasn't so sure about the hotel restaurant, the desserts were fine, but the food wasn't very good. It was cloudy and rainy most days, but it didn't matter at all because we went for a walk in the countryside.

C) Nikhil

My family and I drove across the USA last year. We stayed in lots of different hotels. I don't know how much money we spent because my parents paid. There was a lot of driving, but my dad enjoyed that. The weather was fantastic, and I couldn't believe the different food people ate from place to place.

It was good to be with the family, because there was always someone to talk to, or to do things with.

0. Who thought that part of their journey was too long?

a) Max

b) Felipe

c) Nikhil
