

## Ficha 6

### Inversión de acordes

1 Selecciona todos los acordes en estado fundamental:

A musical staff in G minor (two flats) with a treble clef. It contains five chords, each consisting of three vertical stems. The first chord is in fundamental position. The subsequent chords are in first inversion, where the third note of the chord is the lowest note.

2 Selecciona todos los acordes en 1<sup>a</sup> inversión:

A musical staff in G major (one sharp) with a treble clef. It contains five chords, each consisting of three vertical stems. The second chord is in first inversion, where the third note of the chord is the lowest note.

3 Selecciona todos los acordes en 2<sup>a</sup> inversión:

A musical staff in G major (one sharp) with a treble clef. It contains five chords, each consisting of three vertical stems. The fourth chord is in second inversion, where the fifth note of the chord is the lowest note.

#### Estado fundamental:

La Fundamental del acorde es la nota más grave.

#### 1<sup>a</sup> inversión:

La 3<sup>a</sup> del acorde es la nota más grave.

#### 2<sup>a</sup> inversión:

La 5<sup>a</sup> del acorde es la nota más grave.
