Do you like monkeys? Some monkeys are small and some are big. I have a smart little monkey named Momo. Momo has brown fur and big round eyes. Every morning, it climbs the tall tree in our garden to look for something fun. Momo likes eating bananas, but it also eats apples and cookies. When I play outside, Momo follows me and jumps very high. Sometimes it takes my red hat and runs around the yard, making me laugh. In the afternoon, Momo sits on a chair and watches birds in the sky. I love my Momo.
