Monash University is a public university located in Melbourne, Australia. It was established in 1958 by an Act of the State Parliament of Victoriandis the second oldest university in the State of Victoria. The university was named after the prominent Australian general Sir John Monash. This was the first time in Australia that a university had been named after a person, rather than a city or state. IT was originally intended to have an emphasis on science and technology. However, it quickly expanded beyond this. In its early years, it offered undergraduate and postgraduate degrees in engineering, medicine, science, arts, economics and politics, education and law. Initially, it was best known for its strong research capacity in the sciences and for its innovative teaching in law and medicine.

READING

A. Read the Jo's message and decide whether the following statements are True (T) or False (F).

Hello everyone, my name's Jo. I am reading an interesting series of fantasy novels, *Harry Potter,* by the famous British author J. K. Rowling. In this series, Harry Potter, Hermione Granger and Ron Weasley are my most favorite characters. They study at Hogwarts – a magic school, and they use their magic to help their friends. All the teachers and students in the school have magic, too. They can fly to school, but they cannot use their magic outside school. One day, there is a war between Hogwarts' students and some dark magic teachers. Harry and his friends save everyone from danger. I learn a lot of good lessons about friendship from this book series. This is why I love it the most. I think you should read it too, and I hope you will share your favorite books with me. It will be great!
