

## Simple Habits of the Average Millionaire

**haggling** **down payment** **run up** **nest egg** **frugal** **keeping up** **spendthrifts**

### **Delay gratification.**

Millionaires spend most of their lives sacrificing temporary pleasures for long-term success. They have no problem 1) \_\_\_\_\_ for a lower price, wearing inexpensive clothes, buying an older used car and living in a modest neighbourhood. They don't care about 2) \_\_\_\_\_ with the Joneses. These decisions allow them to do things like build a 3) \_\_\_\_\_ for retirement or a large 4) \_\_\_\_\_ for their dream home. They realize that instant gratification is fun — but delayed gratification is so much better.

### **Choose their relationships wisely.**

When they say you become who you hang around with, they (whoever that is!) aren't kidding. If you associate with the biggest influencers, your financial outlook transforms. On the contrary, if you hang out with a group of 5) \_\_\_\_\_, you'll likely 6) \_\_\_\_\_ bills rather than save. Being with those committed to the same financial goals ensures you are all headed in the same direction. It's crucial to find encouragement and accountability in a group of friends who align with your values and goals. By building a network of supportive friends and mentors, you can make all the difference when it comes to growing your career or building wealth. This simple habit of being 7) \_\_\_\_\_ aligns you with millionaire mindsets, propelling you towards success.
