5TH GRADE ENGLISH

Grammar notes:

There are 2 actions in each sentence:

- 1 action in **past continuous** - this action started first.
- 1 action in **past simple** - this action interrupted the first action, it happened second.

Example: Carmen ***was walking*** in the park when she ***saw*** her parents.

- 1st = Carmen ***was walking*** in the park.
- 2nd = She ***saw*** her parents.

Complete these sentences with the past continuous. Say what they were doing.

Remember: <u>subject</u> (+) <u>was / were</u> (+) <u>gerund (verb-ing)</u>

I _____ _____ (**watch**) TV when the phone **rang**.

They _____ _____ (**play**) soccer when it **began** to snow.

She _____ _____ (**study**) for the test when her friend **arrived**.

We _____ _____ (**eat**) dinner when the lights **went** out.

He _____ _____ (**drive**) to work when he saw the accident.
