

Day 21

Where you Christmas
Why can't I find you
Why you gone away
My world changing
I'm rearranging
 that mean Christmas changes too

Where you, Christmas?
Why can't I find you?
Why you gone away?
Where the laughter you used to bring me?
Why can't I hear music play?
My world changing, I'm rearranging
 that mean Christmas changes too?

Where you, Christmas?
 you remember
The girl you used to know?
You and I so care-free
Now nothing's easy
Dear Christmas, change, or just leave

I'm not the same one
Look what the time's done
Dear Christmas, change, or just leave

When I young so long ago
There a song
That I'd sing, it goes
With stockings and presents
under the tree
If you know the words,
 you sing with me?
