**PART 2: READING COMPREHENSION (3 points)**

**Read the passage and answer the questions.**

Last Friday, Anna missed an important presentation at work. She usually arrives early, but that morning she came nearly an hour late. Her colleagues tried to call her several times, but her phone was switched off. When she finally arrived, she looked tired and confused.

Anna later explained that she had stayed up late the night before to finish a report. She believed she had set her alarm, but it did not ring. Her manager was disappointed because the presentation could have been successful with Anna's help. Some colleagues think Anna should have informed the team earlier, while others believe the situation was unavoidable.
