## Part II Reading comprehension

Hi Sandra,

- (1) How's it going? We haven't been in touch for ages. Hope all's well with you. Life's pretty busy here as usual. I've got a new job as a tutor at teaching Italian, math, and basic science. I've been working there for almost three months now. It's hard work but I really enjoy it. Teaching young kids is so exciting for me.
- (2) Anyway, the really big news is I'm pregnant. We were so surprised, I've been told I'm having twins. Jack and I are *over the moon* but a bit nervous though. We'll be off on a trip to London this weekend. We want to see Nina and Dylan there. I need some advice from them because they also have twins.
- (3) Miss you so much! Always remember our good days in Tokyo as exchange students 10 years ago. I'd love to hear all your news. Are you still working

in Bangkok? *We*'ve just moved to a bigger house so maybe you can come and visit us sometime here in Liverpool.

Looking forward to hearing from you!

Love,

Evelyn

36) What does the phrase "over the moon" in the second paragraph mean?
