Hi Ben,

How are things? I went to my favorite restaurant with my parents on the weekend. It's not a fast food place. All the food is healthy. I love it because it has my favorite food – fish with vegetables, then fresh fruit. I had juice with the meal. They don't sell milkshakes.

We all had tomato soup to start. Sometimes, they have carrot soup or onion soup, but I think tomato soup is the best. Then my parents had meat and I had fish, of course. We all had French fries. I know that French fries are usually junk food, but this restaurant cooks them in good fat. I mean, it is the kind of fat

which is good for your body.

After the meal, we walked home. We didn't take a taxi. I read that you should always take exercise after a big meal.

Tell me about your weekend.
