5TH GRADE ENGLISH

Grammar notes:

There are 2 actions in each sentence:

- 1 action in **past continuous** - this action started first.
- 1 action in **past simple** - this action interrupted the first action, it happened second.

PAY ATTENTION TO DETAILS!

- all sentences have a signal word: ***when***
- the action after ***when*** = past simple
- the other action = past continuous

after ***when*** = past simple

Example: Carmen ***was walking*** in the park when she ***saw*** her parents.

the other action = past continuous

Complete these sentences with the past continuous and past simple.

Remember: subject (+) was / were (+) gerund (verb-ing)

I _____ _____ (**ride**) my bike when I _____ (**fall**) down.

We _____ _____ (**study**) when the teacher _____ (**arrive**).

Nacho _____ _____ (**walk**) to school when it _____ (**start**) to rain.

past simple verbs:

fall = fell (**irregular**) - arrive = arrived (**regular**) - start = started (**regular**)
