ВАРИАНТ 8 2025

Прочитайте текст. Из каждой строки (B9–B18) выпишите ОДНО лишнее слово.

B9. While it is true that mobile devices are such convenient and help us stay better connected,
B10. our every social skills seem to be getting worse and worse. According to a recent survey,
B11. the majority of people think that lots smartphones, laptops, tablets and social media have
B12. made us ruder. People are texting in public places or shouting into their phones on
B13. public transport are a common sight. Very often do we pay more attention to our Facebook
B14. account than the person who sitting in front of us. This obsession with digital devices
B15. and the need to stay online all the time make people start them phone conversations
B16. while been watching a film at the cinema or forget to switch off their mobile in the
B17. theatre, at school either or even in church. The basic rules of polite behaviour come down
B18. to a simple fact: use your common sense and if you think about it will be rude, don't do it.
