A. feel B. felt C. found
10. The teacher told the children to come here by _____ them.
A. signalling B. repairing C. discovering

PART 5 The Treasure in the Mountains

Last spring, a group of children went mountain climbing with their teacher. They wanted to explore new places and enjoy fresh air. Each child wore comfortable trousers and carried food for a picnic. The mountain was large, and the path went around many rocks and trees.

After several hours, the children felt tired. The teacher decided they should rest in a field near the mountain. While some children were eating, others were checking their bags. One boy walked away and found something strange under a rock. When he took the rock out, he saw a small box.

Inside the box, there was a lot of gold. The children were excited and felt fantastic. They sent a message to the police and waited together. Later, they learned that the treasure was very old and important. And then, their lives changed because they became famous for their discovery.

Complete the sentences (1–4 words):

1. The children went _____ with their teacher.
2. They stopped to rest in a _____.
3. The boy found something under a _____.
4. Inside the box, there was _____.
5. The children felt _____ after the discovery.
6. They _____ the police about the treasure.
7. Their lives changed _____ the discovery.

PART 6 — Short Paragraph (ONE word each gap)

Write **ONE word** in each blank.

Last weekend, the children went hiking up a large mountain. They (1) _____ tired but happy. They decided to rest in a field and have a (2) _____. One child found a strange box and (3) _____ it to the teacher. Inside, there was (4) _____ lot of gold. Everyone felt (5) _____. The teacher told the children to come (6) _____ and stay together. (7) _____ then, their lives changed. They will (8) _____ this day forever.

PART 7 — Story Writing

**Write a short story (3–5 sentences) about the pictures.
Use the past simple/present simple/present continuos.**
