

Complete the sentence using the correct Musical Term.

Story: *My First Band Practice.*

When I joined the school band, I felt happy and a little shy. My teacher showed us the _____ and the _____, which help us read music. We played our song slowly at an _____ speed and then a little faster at an _____ speed. The teacher said the _____ helps us know how fast or slow to play.

Next, we learned about _____, which means how loud or soft the music is. We practiced a _____ to get louder and a _____ to get softer. Sometimes we played very loud, called _____, and sometimes very soft, called _____. Every instrument sounds different because of its special _____.

Our teacher told us about the different groups in the _____ or _____. Some students played _____ instruments, some played _____, and others played _____ and _____. I played the _____, which is fun and exciting. We learned that notes move in small steps called _____, and the _____ tells us which notes to play sharp or flat.
