What's so special about the market? Well, a train runs right through it.

When the train comes, the \_\_\_\_\_ along the railway are \_\_\_\_\_ to move their  
\_\_\_\_\_ out of the way

Just a few seconds after the train passes, everything is \_\_\_\_\_  
\_\_\_\_\_ .

This is going to be exciting, but be \_\_\_\_\_ —the train will be very close.

Also, don't spend too much time shopping.

That might \_\_\_\_\_ you \_\_\_\_\_ and \_\_\_\_\_ !

After that, we are going to visit the Amphawa Floating Market.

We will spend about two hours there, so you can \_\_\_\_\_ .

The vendors are on \_\_\_\_\_ and along the river.

They \_\_\_\_\_ many things at \_\_\_\_\_ prices. Remember, you can only pay  
\_\_\_\_\_ there.

Finally, in the evening, we will \_\_\_\_\_ around an hour \_\_\_\_\_ the fireflies.

You will have a \_\_\_\_\_ time.

So, are you all ready? Let's go.
