

Tuesday 1/6

Identify the type of reaction:

Wednesday 1/7

Identify the parts of the chemical equation using the word bank:

Chemical Equations

Move the labels to the correct location to identify parts of the equation.

Count the number of atoms in these formulas:

Thursday 1/8

Balance these equations (if the coefficient is a 1 you must type it)

Friday 1/9

Balance these equations (if the coefficient is a 1 you must type it) AND identify the type of reaction
