Global Perspectives: Facts, opinions and assumptions

Name: _____   Class: _____

Fact
A fact is true for everyone. You can check it.
Example: The sun is a star.
Opinion
An opinion is what someone thinks or feels. Other people may not agree.
Example: Ice cream is delicious.
Assumption
An assumption is something you think is true, but you don't actually know. There is no evidence in the sentence.
Example: She is tired. (We do not know. We are guessing.)

        Fact / Opinion / Assumption

Tom and the Ducks 🦆

Tom rode his bike to the lake after school. He wore a blue helmet.
Tom thought the lake was the nicest place to visit after school.
He brought bread because he believed all ducks love eating bread.
Tom threw the bread into the water and watched the ducks swim over.

Read the story and write one fact, one opinion, and one assumption.

- Fact: _____

- Opinion: _____

- Assumption: _____
