

1. Fill in the blanks with these words: addition, something, order, subtraction, multiplication, division.

## Math at School

In math class, students learn many things. First, they learn \_\_\_\_\_, which means putting numbers together. Next, they learn \_\_\_\_\_, when one number is taken away from another.

After that, the teacher teaches \_\_\_\_\_, so students can count faster with bigger numbers. Then comes \_\_\_\_\_, which helps students share things equally.

To solve math problems, students must read the question carefully and do the steps in the correct \_\_\_\_\_. If they do not understand, they can always ask the teacher for \_\_\_\_\_ to help them.

2. Read the story. Choose a word from the box. Write the correct word next to numbers 1-5. There is one example.

Mum wanted a train ticket and some other things from town so I went shopping with my sister and brother yesterday. We **caught** the bus into town and got off at the bus stop outside the supermarket. First we went to the shopping centre and we changed my shorts there because they were too small for me. Next we walked through the market. We didn't (1) \_\_\_\_\_ anything there though.

After that we went to the post office. There we (2) \_\_\_\_\_ some stamps and posted some letters. We couldn't find any white envelopes for Mum but we did get a brush and comb from the chemist's next to the bookshop. They were quite cheap. Mum wanted some lemon soap for Grandma but there wasn't any. Then we collected a cake for Grandma's birthday. It was pink and it looked really (3) \_\_\_\_\_.

After that, my brother got a computer game from a shop near the railway station. It was very (4) \_\_\_\_\_ so we couldn't buy the train ticket for Mum. She was very (5) \_\_\_\_\_ about that!

3. Read the story above again. Then write about a time when you went to the supermarket.

**You should say:**

1. When did you go there?
2. How did you get there?
3. Who did you go with?
4. Did you visit any places before you went to the supermarket?
5. What did you buy at the supermarket? Did you buy anything for other family members?
6. How did you feel when you came back home?
