

My New Year Holiday

Name:	Class:
-------	--------

My New Year holiday is very enjoyable and memorable. I
(spend) my holiday with my family at home. On New Year's Eve, we
..... **(eat)** dinner together and **(make)** some simple decorations. In the evening, we **(sit)** in the living room and **(watch)** television. We also **(see)** fireworks in the sky and **(fell)** very excited.

When the new year **(come)**, we **(say)** "Happy New Year" to each other. My parents **(give)** me advice for the new year, and I **(listen)** carefully. We **(take)** many photos together to remember the moment. After that, I **(go)** to bed late because I really enjoyed the celebration.

On the next day, I **(wake up)** late and **(have)** breakfast with my family. I **(play)** games and **(read)** a book in my free time. I also **(help)** my parents clean the house. This holiday **(make)** me feel relaxed, happy, and ready to start the new year.
