

The image shows a screenshot of the Microsoft Word Font ribbon. Several blue rectangular boxes are placed around the ribbon, with orange arrows pointing from them to specific features. The boxes are located at the top left, top right, bottom left, bottom middle, and bottom right. The arrows point to the font name dropdown, the font size dropdown, the Bold button, the Text Color button (represented by a blue 'A'), and the Background Color button (represented by a red 'A').
