## Reading and Writing

3 Read the story. Choose a word from the box. Write the correct word next to numbers 1–7. There is one example.

Ben loves riding his <sup>1</sup> bike with his dad and his sister, Katy, in the countryside. Last week, they were in a small forest. The path was <sup>2</sup>                   . In the forest there was a big <sup>3</sup>                   .

“Can we swim here?” Ben asked.

“Sorry, Ben. The water’s very cold,” said Dad.

Suddenly, there was a noise from behind some trees.

“Look!” Katy said. “The ducks are <sup>4</sup>                    quickly. Where are they going?”

“Is there a waterfall? The noise is very <sup>5</sup>                   ,” said Dad.

“I think there is. Let’s <sup>6</sup>                    this rock so we can see!” said Ben.

There was a small river and a waterfall. “Look at the ducks! They’re giving food to the baby ducks!” said Ben.

“The baby ducks are very <sup>7</sup>                   !” said Dad.

“Let’s take a photo and text it to Mum!” said Katy.
