

## 1. THE DETECTIVE CLUB KILLER

Before Logico left for the holiday party, he visited the Detective Club headquarters to tell his friends the good news. Unfortunately, they had bad news: the president (now the former president) had been killed. Whodunit?

### CLUES & EVIDENCE

- General Coffee was using the printing press to print his manifesto: *On Beans and Bombs*.
- Grandmaster Rose was afraid of heights, so he had never been to the roof.
- Murdle: Volume 1* was not in the conspiracy board room.
- Miss Saffron had a magnifying glass.
- Something was fishy about the murder: it was committed with a fish.
