

Tempo, Agogics, and Dynamics

Speed and Intensity in Music. Demonstrate what you know about musical tempo and volume.

1. The Time Train. Order these terms from slowest to fastest.

2. El Metrónomo. Select the correct answer based on the sources:

- ¿What does the indication mean $\text{♩} = 80$?
 - a) A total of 80 notes are played.
 - b) Eighty black keys are played in one minute.
- The higher the number on the metronome, the faster the tempo...
 - a) Faster.
 - b) Slower.

3. Match each abbreviation with its meaning of intensity.
