Slip inside the eye of your mind

Don't you .....you might find

A better place to .....

You said that you'd never been

But all the ..... that you've seen

Will slowly fade away

So I start a ..... from my bed

'Cause you said the brains I had went to my head

Step outside, summertime's in bloom

Stand up beside the .....

Take that look from off your face

You ain't ever gonna burn my heart out

And so Sally can wait

She knows its too ..... as we're walking on by

Her soul slides away

"But don't look back in anger" I .....you say

Take me to the place where you go

Where ..... knows if it's night or day

Please don't put your life in the hands

Of a Rock 'n' Roll band

Who'll ..... it all away

My soul slides away

At least not today
