All Wet

Pam likes to **C**_____  . She goes with her dad.

They set up a **T**_____  . Two cots fit in.

Pam and her dad sit on a log. They eat ham from a pan.

The **S**_____  is out. Pam and her dad put on hats. They go for a walk.

A **R**_____  runs by them. It hums.

Her dad stops. "Look! That is a cub. The mom may be here too".

Pam nods. She sees the black cub. It plays in some mud.

Her dad backs them up.

But there is a dip. Pam does not see it. She trips into the river.

"Help!" she sobs.

Her dad jumps in. "I have got you. Do not let go."

They see a big log. Her dad nabs it. That is how they get out.

Pam is all wet. "Thank you, Dad. Can we go back to the

V_____ ?"

Her dad nods. Then he gives Pam a hug.
