An Unforgettable Weekend at the Farm

"Last Saturday, my family and I traveled to my uncle's farm in the mountains. We arrived early in the morning, and the air felt very fresh and cold. First, I helped my uncle to feed the horses and the chickens in the barn. Later, we walked to a beautiful river and stayed there for three hours. My brother tried to fish, but he did not catch anything. At lunchtime, my aunt prepared a delicious traditional soup over a wood fire. In the afternoon, we played soccer in the field until the sun went down. We watched the stars at night and talked about many interesting stories. Finally, on Sunday evening, we returned to the city by car. I was exhausted, but I felt very happy because it was a wonderful experience."
