My brother Mark just got back from Egypt. He has dreamed of this kind of holiday since he was a child. Mark was very satisfied. He spent two weeks there. The kind of holidays he booked is called package holiday. It means that the travel agency organizes everything for you, flight, accommodation, food and even insurance.

He wanted to go together with his friends but no one got a holiday at work. I don't think that he was bored in Egypt. He visited many well-known places, tried some typical dishes and even had a rest. He loves reading so he enjoyed the time for sure.

Mark mentioned that he met a girl. Her name is Jessica and she comes from Germany. She is a receptionist in one of the hotels. I saw a picture of her. She is very pretty with long wavy hair. Maybe once I could meet her.

My brother is very penny wise but not this time. He brought many things. Mark bought a small gift for everyone. I got a beautiful scarf, my mum got a bangle and my father a small pyramid. Very nice of him, don't you think?
