Item III: fill in the blanks with the words you hear in the song

I will survive - Gloria Gaynor

At first, I was afraid, I was petrified
Kept thinking I could never live
without you by my side
But then I spent so many nights
thinking how you did me wrong
And I grew strong, and I learned
how to get along

And so you're back from outer
space
I just walked in to find you here
with that sad look upon your face
I should have changed that stupid
lock, I should have made you leave
your key
If I'd have known for just one
second you'd be back to bother me

Go on now, go, walk out the door
Just turn around now 'cause you're
not welcome anymore
Weren't you the one who tried to
hurt me with goodbye?
Did you think I'd crumble? Did you
think I'd lay down and die?

Oh, no, not I, I will survive
Oh, as long as I know how to love,
I know I'll stay alive
I've got all my life to live, and I've
got all my love to give
And I'll survive, I will survive
Hey, hey

It took all the strength I had not to
fall apart
Just trying hard to mend the pieces
of my broken heart
And I spent oh so many nights just
feeling sorry for myself
I used to cry, but now I hold my
head up high

And you see me, somebody new
I'm not that chained-up little person
still in love with you
And so you felt like dropping in and
just expect me to be free
Well, now I'm saving all my loving
for someone who's loving me
