Item III: fill in the blanks with the words you hear in the song

I will survive - Gloria Gaynor

At first, I was afraid, I was petrified	It took all the strength I had not to
Kept thinking I could never live	fall apart
without you by my side	Just trying hard to mend the pieces
But then I spent so many nights	of my broken heart
thinking how you did me wrong	And I spent oh so many nights just
And I grew strong, and I learned	feeling sorry for myself
how to get along	I used to cry, but now I hold my

head up high

And so you're back from outer	And you see me, somebody new
space	I'm not that chained-up little person
I just walked in to find you here	still in love with you
with that sad look upon your face	And so you felt like dropping in and
I should have changed that stupid	just expect me to be free
lock, I should have made you leave	Well, now I'm saving all my loving
your key	for someone who's loving me
If I'd have known for just one	
second you'd be back to bother me	

Go on now, go, walk out the door
Just turn around now 'cause you're
not welcome anymore
Weren't you the one who tried to
hurt me with goodbye?
Did you think I'd crumble? Did you
think I'd lay down and die?

Oh, no, not I, I will survive
Oh, as long as I know how to love,
I know I'll stay alive
I've got all my life to live, and I've
got all my love to give
And I'll survive, I will survive
Hey, hey
