ACTIVITY 1

IMITATIVE SPEAKING

Imitative oral expression fosters the practice of pronunciation, intonation, and fluency.

DESCRIPTION OF THE ACTIVITY

Students will watch the following video where a character says a phrase. The task will be to imitate the character's speech, paying attention to pronunciation, intonation, and fluency. Then, each student will repeat the phrase by uploading an audio recording.

OBJECTIVES:

- Develop the ability to imitative oral expression, improving pronunciation, intonation, and fluency.
- Boost confidence in public speaking through repetition and imitation.

Watch the video and then solve the exercise.
