Unusual Jobs Around the World

Around the world, people have many different jobs. Some jobs are common, but others are unusual.

In some countries, a **snake catcher** works in towns and helps people by catching snakes and taking them to safe places.

In cold places, an **ice tester** checks the ice on rivers and lakes to make sure it is safe for people to walk on.

In cities, some people work as **animal sitters**. They take care of pets when families are not at home.

These jobs are different, but they help people and animals every day.
