

We had soup, We had pasta,  
We had salads and cheese.  
We all wanted more,  
We all **said** 'please'.  
We **gave** presents,  
And cards which we **wrote**.  
We **wore** fancy dress,  
We **played** and we played ...

The party was good,  
The party **was** great.  
And now it's time to fly.  
The party was good,  
The party was great.

We'll see you soon, goodbye.      We gave presents ...  
The drinks we **drank**,      Now the party's over,  
The food we **ate**.      Now it's time to fly.  
The party was good,  
The party was great. **LIVE** **WORKSHEETS**
