Al Ayyubi's Plans

I almost finish my studies in university. I will obtain Bachelor of Science Information. After I graduate, I want to work in one of the biggest oil company such as Chevron, Petronas, Exxon, etc. I want to be the staff manager or manager at least. I prefer working offshore because it gives me challenge to work over there plus they will pay me higher than work in the office. All of this is just the beginning of my dreams. After I work for 4 or 5 years, I will have a lot of money by that time, i will quit my job and start a business. I will buy 3 or 4 shops and run my shops and have another business such as futsal court or restaurant and anything that have a good prospect. By that way I will make more money comparing than I work in the company. After I run my business, I am going to marry a beautiful woman. I will start to make a family and planned to have 2 children which are a boy and a girl. I will live in a big house which having a garden outside or maybe a pool so my children can play inside my yard because, if my children play outside, it will be a little risky. I just don't want anything bad to happen to my family. And maybe if I have spare money, I want to take my family to Makkah for 'umrah' or 'hajji'. I think that is all I can say about my dreams. It is just a simple dream for a simple man like me.
