

## **Within Temptation and Jerry Heil - Sing Like A Siren**

Her name's Hurricane  
Thunder is her smaller brother  
Несла крізь роки  
Кривди, болі і образи  
It's pouring, it's spilling  
It's already under the ceiling  
Ця повинь всеціло  
Захоплює все моє тіло  
Running with the storm  
Through the thunder and the rain  
But you've got a silver stern and the bones of iron  
Open all the doors, let the water come inside  
If you **wanna** face the storm, feel the storm  
Be the storm, **and** sing like a siren  
Вийди-вийди, Іваночку  
Заспівай ми весняночку  
Вийди-вийди, Іваночку  
Заспівай ми весняночку  
I rise up from the ocean deep  
Awakening from the winter sleep  
In chaos, I will **find** my peace  
Sing my song, my voice is free  
Sing through fire, through the rain  
Sing through fire, through the rain  
Sing through fire, through the rain  
**Through** the fire, through the rain  
It's pouring, it's spilling  
It's already under the ceiling  
Ця повинь всеціло  
Захоплює все моє тіло
