Most mornings are pretty similar for me, and I like it that way. A simple routine helps

me start the day calmly. **First** / **Too**, I wake up around 7 a.m. and check my phone

for a moment. \_\_\_\_\_, I go to the kitchen \_\_\_\_\_ make a cup

of coffee. \_\_\_\_\_ while the coffee is getting ready, I prepare something

small to eat. Breakfast is my favorite part of the morning. Sometimes I have toast,

and other times I eat yogurt with fruit. I \_\_\_\_\_ like trying different

recipes, and I often add fruit, \_\_\_\_\_ bananas or strawberries.

\_\_\_\_\_, I keep small snacks in my bag, \_\_\_\_\_ almonds or

cereal bars.

\_\_\_\_\_, I sit by the window and enjoy a quiet moment before work. The

building is usually quiet in the mornings. I enjoy the silence, and the calm start helps

me feel relaxed, \_\_\_\_\_. The peaceful atmosphere makes my mornings

feel special \_\_\_\_\_. \_\_\_\_\_, once I finish my coffee, I get

dressed and leave the house.

At work, my day gets busy quickly. I have several things to do. \_\_\_\_\_, I

check my emails and look at my schedule. \_\_\_\_\_, yesterday I had three

meetings before 10 a.m. \_\_\_\_\_ of the morning, I try to take a short

break before continuing with the rest of the day.
