## A bad day

Yesterday I \_\_\_\_\_ my alarm clock but I \_\_\_\_\_ back to sleep.  
(hear) (go)

I \_\_\_\_\_ up late and \_\_\_\_\_ to the kitchen. I \_\_\_\_\_ my tongue  
(get up) (run) (burn)  
because the milk was too hot!

I also \_\_\_\_\_ my finger on a knife and my butter and jam toast \_\_\_\_\_ on  
(cut) (fall)  
the carpet, on the wrong side of course!

Afterwards I \_\_\_\_\_ my foot against the door. Ouch, it hurt!  
(hit)

When I opened the door of its cage, my canary \_\_\_\_\_ away. Ten minutes later,  
(fly)

I \_\_\_\_\_ him in a net and \_\_\_\_\_ him back into the cage.  
(catch) (put)

Of course, I \_\_\_\_\_ home late and missed the bus. I \_\_\_\_\_ my bike and  
(leave) (take)

\_\_\_\_\_ to school. It was so cold that my fingers \_\_\_\_\_.  
(ride) (freeze)

There I \_\_\_\_\_ a horrible history test. I was so nervous that I \_\_\_\_\_ my pen  
(have) (break)

and \_\_\_\_\_ everything I knew.  
(forget)

In the afternoon, the PE teacher \_\_\_\_\_ us how to fight. I \_\_\_\_\_  
(teach) (fight)

against a big boy who \_\_\_\_\_ me so hard that I \_\_\_\_\_ a tooth. And even  
(beat) (lose)

worse! Somebody \_\_\_\_\_ my MP3 player in my locker.  
(steal)

I \_\_\_\_\_ believe it!  
(can't)

Fortunately, my alarm clock \_\_\_\_\_ again and I realised it was only a  
(ring)

bad dream, a real nightmare! What a relief!
