

LESSON 6 - 3^o - READ THE TEXT AND ANSWER THE QUESTIONS

How do you use technology at school in your country?

Evan
Dragon Park School
Wales, UK

At my school in Wales, we use computers to learn in class and in some afterschool clubs. There are lots of clubs – the football club, judo club, Spanish club and chess club. But my favourite is the coding and robotics club. We learn about making and coding robots. It's great! 👍

Robotics looks really fun! 🤖 In lots of schools in the USA, children use computers and tablets to learn and play. But my school is different. It's a technology-free school. We haven't got any computers or tablets. We do lots of projects. I like my school. 😊

Wow! A technology-free school! That's interesting. I live on an island 🏝️ in Scotland. There isn't a school here. I have lessons with my parents at home. And I have some video lessons with teachers, on the computer.
