## Imagine there's no heaven

Imagine all the people  
It's easy if you try  
Above us only sky  
No hell below us  
Living for today, ah

## Imagine there's no countries

Nothing to kill or die for  
Living life in peace, you  
And no religion too  
Imagine all the people  
It isn't hard to do

## You may say I'm a dreamer

I hope someday you'll join us  
And the world will be as one  
But I'm not the only on

## Imagine no possessions

A brotherhood of man  
No need for greed or hunger  
I wonder if you can  
Sharing all the world you  
Imagine all the people
