Hi Ralph,

For our October meeting, how about the River Hotel and Conference Center in Detroit? It's at 190 Michigan Ave. That's an excellent location. There is a bus stop on the right and a subway station on the left. There are many good restaurants in the neighborhood. The famous East Theater is around the corner, too.

The hotel is perfect! It has a parking lot, a new fitness center and large pool. There is a cafe on the second floor and a restaurant on the first floor. Of course, there is a business center next to the restaurant.

Let me know if you have questions.
