The new car

It's Saturday. Jack's family is in front of their house. 'We've got a new car!' Mum says. 'It's great!' Dad says. 'What can it do?' 'Let's find out!' Mum says. 'Let's go to the beach!' Jack says.

There are lots of cars.

'Oh no,' Jack says. 'We can't go to the beach.'

'Yes, we can,' Mum says.

Now the car has got wings!

'We're flying!' Jack says.

The car flies to the beach.

'There are lots of people on this beach,' Dad says.

'There aren't any people on that beach,' Jack says.

'Let's go!' Mum says.

Soon, they're at a beautiful beach. They play in the sea and Jack makes a big sandcastle. Then they have lunch on the sand.

'It's time to go home,' Mum says. But the car doesn't go.

'Look! The car is hungry!' Dad says. Jack gives the car a sandwich.

Now the car is a plane again! They fly home.

'What a great car!' Jack says.
