Unit 5 – Reading

Read and answer

Hi Sue,

I'm on holiday near the beautiful river. Today the weather is very nice. It's sunny and warm. I'm writing postcards to my friends and reading my book. Yesterday it was cloudy but the weather was great for riding a bike! On Thursday it was wet and rainy. There were lots of colorful flowers.

I want to go sightseeing along the river. I can take photos of the flowers with my new camera!

Come to my house on Saturday and see my photos.

See you at the weekend,

Laura
