Task 5: For each question, write the correct answer.

Tom's Weekend Project

Last weekend, Tom decided to help his mother clean the backyard. At first, he didn't want to do it because he wanted to play video games. However, his mother promised they would cook his favorite food later. They found many old bottles and plastic bags on the ground. Tom suggested putting them into recycling bins instead of throwing them away. His mother was happy because Tom was learning to care about the environment.

After cleaning, they planted some small trees together. Tom felt tired but proud. He said he wanted to help more often in the future.

1. **Why didn't Tom want to clean the backyard at first?**

A. He was too tired.

B. He wanted to play video games.

C. He didn't like his mother.

2. **What did Tom and his mother find in the backyard?**

A. Old toys and books.

B. Plastic bags and bottles.

C. Broken chairs.

3. **What did Tom suggest doing with the rubbish?**

A. Burning it.

B. Throwing it away.

C. Recycling it.
