

*What a life, what a night*

*What a beautiful, beautiful ride*

*Don't know ..... I'm in five but I'm young and alive*

*Fuck what they are ....., what a life*

*I am so ..... right now*

*'Cause I'm poppin' right now*

*Don't wanna ..... 'bout a thing*

*But it makes me terrified*

*To be on the ..... side*

*How long before I go insane?*

*It's okay, it's okay*

*That we're living, we're living this .....*
