Modifiers

Modifiers help us say how strong the adjective is.

Structure: *Subject + verb to be + modifier + adjective*

- **very** – a lot (The city is **very big**.)
- **pretty** – more than a little (The park is **pretty clean**.)
- **somewhat** – a little (The street is **somewhat noisy**.)
- **a little** – very small amount (The town is **a little crowded**.)
- **not very** – low degree (The area is not **very modern**.)

LIVEWORKSHEETS
