LIVEWORKSHEETS

Part I. Reading Comprehension One

Directions: Items 1 – 4 are based on the passage below. Read it and choose the correct answer from the alternatives given A - D.

Healthy Drinks

Drinking healthy beverages is just as important as eating healthy foods. Water is the best drink for our bodies because it keeps us hydrated and helps our organs work properly. It is important to drink plenty of water throughout the day, especially when we are playing or being active. Another healthy drink option is milk. Milk is rich in Calcium, which helps us have strong bones and teeth. It also provides us with protein and vitamins. Sometimes we may want something more sweetly. In this case, we can choose 100% fruit juice. Fruit juice contains natural sugars and vitamins.
