

PHRASAL VERBS PRACTICE

Objective:

Practice understanding and using phrasal verbs in context, with different subjects and tenses.

Exercise 1: Match the Phrasal Verb to its Meaning.

Phrasal verb	Answer	Meaning
to pay off		A) to sell all the stock you have of something
to sell out		B) To have a relationship with somebody
to pay up		C) to avoid spending money on something
to save money on something		D) when you use the supply of something you have
to run out of		E) To get along with somebody very well
to back out of		F) to cancel
to call off		G) To dissappoint somebody because you fail to do what you were expected or promised to do
To let somebody down		H) to pay all of something you owe
To hit it off		I) to give somebody the money you owe them
To go out with somebody		J) to stop being involved in something

Exercise 2: Fill in the Blanks

(Use the correct form of the previous phrasal verbs. Pay attention to the tenses.)

1. She _____ someone from her class.
2. They _____ the meeting because of the storm.
