

Method 1: The 3Rs – Reduce, Reuse and Recycle

INSTRUCTION

Drag and match which did you think the rubbish belong to their respective places.
Remember it is very important to throw the rubbish in the correct place, this is to ensure and make easier for the rubbish to be 'recycle'.

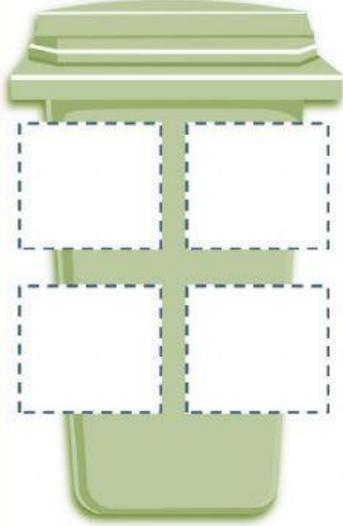

STEP 1: Pick one of the rubbish below and try to drag it

STEP 2: Place it into the proper bin

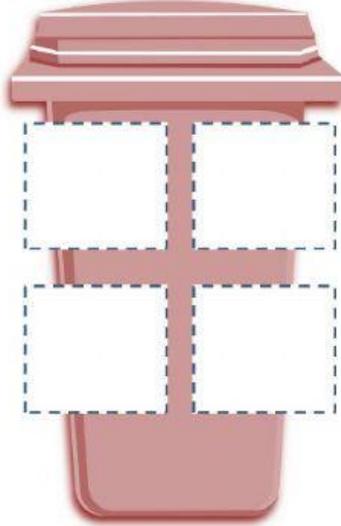

GOOD LUCK AND KEEP PRACTICING THROWING THE RUBBISH IN PROPER BIN TO HELP THE RECYCLE PROGRAM!!!

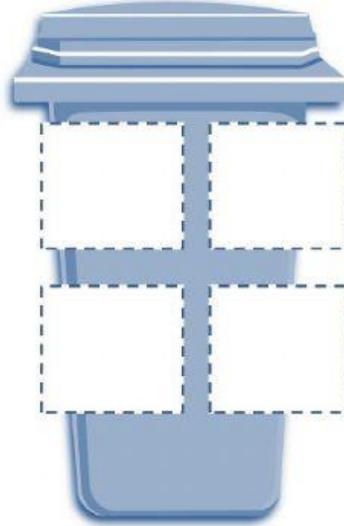

GLASS

PAPER

PLASTIC

TIN/METAL
