School Camping Trip

I just got home from a school camping trip. We took the bus to the camping site in the forest. It was so beautiful! There was a lake with some big rocks next to it. We set up our tents on the ground next to the lake after we had lunch.

Before we went for a walk, I put water and food in my backpack. There were so many insects in the forest. We got bites on our arms and legs. After the walk, we made a fire and cooked dinner. Richard burned his finger. Before it got dark, I washed my face and put on my pajamas. Then we heard a strange sound. What kind of creatures was it? I thought it was a bear! We got our flashlights and looked. It was just a horse!

4. What did they do after they had lunch?

5. What did the writer do before they went for a walk?

Good luck 😊
