

TEST 1

Listening module (30 minutes + transfer time)

SECTION 1

Questions 1–10

Tip Strip

- Note how many different **types of questions** there are. In this case, there are four: multiple choice, note completion, selecting from a list and short answer.
- Look at the instructions for each set of questions.

- Read the questions; try to predict the context of the conversation.
- Look at the questions again to see exactly what information you must listen out for.
- Underline any key words in the main part of the questions with options. Then look at the options and make sure you understand how they differ from each other.

Tip Strip

- Section 2 is always a talk by one speaker. Look at the questions and the title of the task. Try to guess the context from the language and the picture.
- Note that all the questions here are note completion format. Turn the notes into questions in your head, e.g. Number made = How many were made? Do this for all the questions before you listen.
- Decide what type of information is missing (noun, number, adjective?).
- The questions follow the order of the text.
- There are two parts to this listening. This will help to orientate you.

Question 15: You must get both words to get your mark.
